DESCRIPTION

Value Opportunities is a dynamic Fund that holds 40-75 undervalued securities representing our best ideas across the market cap spectrum. While the majority of the portfolio is expected to be invested in equities, the Fund also invests opportunistically in special situations such as bonds, preferred stock and merger arbitrage.

ABOUT US

Since 1980, Hotchkis & Wiley has focused on discovering undervalued securities through extensive internal research. We manage \$25 billion in value equity and high yield assets for institutional and mutual fund investors. The firm is independently owned with a majority interest held by employees.
