The performance data quoted represents past performance. Past performance is not a guarantee of future results. Performance information for the Fund reflects temporary waivers of expenses and/or fees. Had the Fund incurred all expenses, investment returns would have been reduced. Investment return and value of the shares of the Fund will fluctuate so that an investor's shares, when sold, may be worth more or less than their original cost. Performance may be lower or higher than performance data quoted. Fund returns reflect dividends and capital gains distributions. Net asset value (NAV) per share is calculated by subtracting total liabilities from the total assets, then dividing by the number of shares outstanding. Share price is the last price at which shares were traded on the Fund's primary listing exchange. Performance current to the most recent month end is available by calling 800.826.2333 or by visiting vaneck.com. Index returns assume the reinvestment of all income and do not reflect any management fees or brokerage expenses associated with Fund returns. Returns for actual Fund investors may differ from what is shown because of differences in timing, the amount invested and fees and expenses. Certain indices may take into account withholding taxes. You cannot invest directly in an Index.
