Grandeur Peak Global Opportunities

SEPTEMBER 30, 2021

AN EXPERIENCED & DISCIPLINED TEAM LOOKING FOR GREAT UNDISCOVERED COMPANIES ACROSS THE GLOBE

OBJECTIVE: Long-Term Growth of Capital

UNIQUE OPPORTUNITY: We believe investors searching and comparing firms globally have an advantage in the compelling and under followed global small cap arena. This is the expertise of the Grandeur Peak team.

STRATEGIC FOCUS:

Small and Micro Cap

- Greater opportunity for growth
- More “undiscovered” companies
- Market typically less efficient

High Quality

- Financial Quality
- Business Model Quality
- Management Quality

INVESTMENT TYPES:

Best-In-Class Growth: High quality companies that are steadily growing, have lots of headroom, and are not yet discovered

Fallen Angels: Growth companies that have stumbled which we believe can return to growth; currently trading at very low historic values

The performance quoted represents past performance. Past performance does not guarantee future results. The fund's investment return and principal value will fluctuate. Upon redemption, shares may be worth more or less than their original cost. The fund's current performance may be lower or higher than the performance data quoted. Go to www.grandeurpeakglobal.com to obtain performance as of the most recent month-end. The Advisor may absorb certain fund expenses, leading to higher total shareholder returns. A 2% redemption fee will be deducted on fund shares held 60 days or less. Performance data does not reflect this redemption fee or taxes. The Net Fee quoted is net of advisor reimbursements. Expenses have been restated to reflect current fees. Grandeur Peak Global Advisors, LLC (the "Advisor"), has agreed to waive and/or reimburse fees or expenses in order to limit Total Annual Fund Operating Expenses After Fee Waiver/Expense Reimbursement (excluding acquired fund fees and expenses, brokerage expenses, interest expense, taxes and extraordinary expenses) to 1.75% and 1.50% of the Fund's average daily net assets for the Fund's Investor Class Shares and Institutional Class Shares, respectively. This agreement (the "Expense Agreement") shall continue at least through August 31, 2022. The Advisor will be permitted to recapture, on a class-by-class basis, expenses it has borne the Expense Agreement to the extent that the Fund's expenses in later periods fall below annual rates set forth in the Expense Agreement or in previous letter agreements; provided, however, that such recapture payments do not cause the Fund's expense ratio (after recapture) to exceed the lesser of (i) the expense cap in effect at the time of the waiver and (ii) the expense cap in effect at the time of the recapture. Notwithstanding the foregoing, the Fund will not be obligated to pay any such deferred fees and expenses more than three years after the date on which the fee and expenses were deferred. The Expense Agreement may not be terminated or modified prior to August 31, 2022 except with the approval of the Fund's Board of Trustees. As part as the same Expense Agreement, the Advisor has agreed through at least August 31, 2022 to waive annual management fees of 1.25% to 1.00% to the extent that the assets of the Fund exceed an average daily net asset level of \$500 million. This waiver of management fees is not subject to recapture by the Advisor.

Investing in small and micro cap funds will be more volatile and loss of principal could be greater than investing in large cap or more diversified funds. Investing in foreign securities entails special risks, such as currency fluctuations and political uncertainties, which are described in more detail in the prospectus. Investments in emerging markets are subject to the same risks as other foreign securities and may be subject to greater risks than investments in foreign countries with more established economies and securities markets.

An investor should consider investment objectives, risks, charges, and expenses carefully before investing. To obtain a Grandeur Peak Funds prospectus, containing this and other information, visit www.grandeurpeakglobal.com or call 1-855-377-7325. Please read it carefully before investing.
