## Annual total returns<sup>4</sup> (%) as of 12/31

The Fund commenced operations on 10/16/96 which became the Laudus International MarketMasters Fund™ Investor Shares (SWMIX). The Investor Shares were consolidated into Select Shares (SWMIX) on 2/26/19. The performance presented is that of the former Select Shares which commenced operations on 4/2/04.

Performance data quoted represents past performance and is no guarantee of future results. Returns are based on total return, which assumes reinvestment of dividends and distributions. Investment returns and principal value will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than their original cost. Current performance may be lower or higher than performance data quoted. To obtain performance information current to the most recent month end, please visit [www.schwabassetmanagement.com](http://www.schwabassetmanagement.com).

Index performance returns do not reflect any management fees, transaction costs or expenses, which would lower performance. They assume dividends and distributions were reinvested. Indices are unmanaged and cannot be invested in directly.

The first index listed for the fund is the fund's primary benchmark, as shown in the prospectus. Additional indices shown are provided for comparative purposes.

<sup>1</sup> As stated in the prospectus, the investment adviser and its affiliates have agreed to limit the Fund's total annual fund operating expenses (excluding interest, taxes, and certain non-routine expenses) to 1.25%, for so long as the investment adviser serves as the adviser to the Fund. This agreement may only be amended or terminated with the approval of the Fund's Board of Trustees. These figures may differ from those presented in the Fund's shareholder report.

<sup>3</sup> A fair value index measures returns adjusted to reflect price and foreign exchange rate changes for index securities in markets that have closed prior to the close of the New York Stock Exchange. Fair value index returns are calculated using fair value adjustment factors as of the close of the New York Stock Exchange provided by Interactive Data's (IDCo) Fair Value Information Service.

<sup>4</sup> Fund expenses may have been partially absorbed by Charles Schwab Investment Management, Inc. (CSIM) and its affiliates. Without these reductions, a fund's returns would have been lower. Fund performance does not reflect the deduction of taxes that a shareholder would pay on fund distributions or the redemption of fund shares.
