

DESCRIPTION

The Global Value Fund seeks to own 40-60 of the most attractively valued companies in the domestic and international equity markets. The Fund has a great deal of flexibility with respect to market cap and geography and will hold many of the firm's best investment ideas. We look for durable businesses run by shareholder-friendly management teams that are trading at attractive valuations relative to long-run normalized earnings.

ABOUT US

Since 1980, Hotchkis & Wiley has focused on discovering undervalued securities through extensive internal research. We manage \$35 billion in value equity and high yield assets for institutional and mutual fund investors. The firm is independently owned with a majority interest held by employees.
