# IMPORTANT DISCLOSURES & RISK CONSIDERATIONS

Davenport Equity Opportunities

\$37,320

Investors should consider the Fund's investment objectives, risks, charges, and expenses carefully before investing. The Fund's prospectus contains this and other important information, should be read carefully before investing or sending money, and may be obtained from your Financial Advisor, www.investdavenport.com, or by calling (800) 846-6666.

Russell Mid Cap

\$33,988

**Risk** is measured by standard deviation, which is the variability of returns around the average return. **Beta** is a measure of the volatility, or systematic (market-related) risk, of a portfolio as compared to the overall market. **Alpha** measures the excess return of your portfolio above the expected return as established by comparison to a beta-adjusted benchmark. The **Sharpe Ratio** indicates the excess returns over a risk-free asset per unit of total risk (where risk is measured by standard deviation).

Risk Considerations: The fund may not achieve its objective and/or you could lose money on your investment in the fund. Stock markets and investments in individual stocks are volatile and can decline significantly in response to market, foreign securities, small company, exchange traded fund, investment style and management risks. Small and mid cap company stocks may be more volatile than stocks of larger, more established companies. Please see the prospectus for further information on these and other risk considerations.
